GYM RULES AND GUIDELINES

To maintain a positive, safe, and clean environment for all members, we ask that you adhere to the following guidelines:

GENERAL CONDUCT

- **Respect for Others:** Treat all members, coaches, and staff with respect and courtesy. Inappropriate behavior, harassment, or discrimination will not be tolerated.
- **Equipment Use:** Always return equipment to its proper place after use and clean equipment with provided wipes. This helps maintain hygiene and keeps the gym organized.
- **Proper Attire:** Members should wear clean athletic clothing and closed-toe shoes. Martial arts classes require specific uniforms (e.g., gi for judo or BJJ), which will be provided upon request.

CLASS ETIQUETTE

- **Arrive on Time:** To ensure a smooth class experience, please arrive at least 5 minutes before the scheduled start time. Late arrivals may not be permitted.
- **Respect the Instructor:** Follow the instructor's guidance and avoid disrupting the class. Listen carefully to instructions to ensure proper form and safety.

COMMITMENT TO HEALTH AND SAFETY

At NorthSouth Fight Sports, we believe in maintaining a proactive approach to health and safety, even as restrictions ease. These updated protocols reflect the shift toward a more relaxed environment while ensuring the continued well-being of our community. Let's work together to keep our gym safe, welcoming, and clean for all.

Hygiene and Sanitization

- **Hand Sanitizing Stations:** Hand sanitizers will continue to be available throughout the facility, including at entrances, locker rooms, and training areas. While the use of sanitizer is no longer mandatory upon entry, we encourage members to use it regularly, especially after workouts or using shared equipment.
- **Disinfecting Equipment:** Members are encouraged to wipe down equipment after each use with the provided disinfectant wipes or sprays. This remains a recommended practice to ensure hygiene across the gym.
- **Routine Cleaning:** Our staff will maintain regular cleaning schedules, focusing on high-contact areas like equipment, restrooms, and shared spaces. While deep cleaning is no longer required as frequently as during the pandemic, cleanliness remains a priority.

Personal Responsibility

- **Personal Gear:** We continue to recommend that members bring their own towels, water bottles, and, if necessary, personal training equipment like gloves or yoga mats. This helps reduce the sharing of items and maintains personal hygiene standards.
- **Health Awareness:** If you feel unwell or are experiencing symptoms such as fever, cold, or flu, we kindly request that you stay home until fully recovered. This helps maintain a healthy environment for all members and staff.
- **Mask-Wearing:** Wearing masks is now optional and based on personal preference or comfort. However, you may choose to wear a mask in crowded areas or during times when you feel more vulnerable, such as during flu season. Please respect the choice of other members regarding mask usage.

Class and Gym Floor Etiquette

- **No Capacity Limits:** Class sizes are no longer restricted, but members are still encouraged to book their spots in advance to ensure space availability, especially for high-demand classes.
- **Physical Distancing:** Physical distancing is no longer mandatory. However, members are encouraged to maintain space where possible to ensure comfort and respect during workouts.

Monitoring and Prevention

- **Temperature Checks and Health Declarations:** These are no longer required upon entry. However, we ask all members to self-monitor their health and stay home if they feel unwell or have been in contact with someone exhibiting infectious symptoms.
- **Optional Precautions:** Members who prefer to take extra precautions are welcome to continue wearing masks or practicing physical distancing. We respect each individual's comfort level in this post-pandemic environment.

Restricted Items in the Gym

For the safety and security of everyone, the following items are strictly prohibited inside the gym:

- **Hazardous Materials:** Any substances that pose a fire, chemical, or biological hazard, including flammable materials, corrosive chemicals, or any other potentially dangerous substances.
- **Illegal Drugs and Substances:** The possession, use, or distribution of illegal drugs or controlled substances is strictly forbidden within the gym premises. Anyone found violating this rule will face immediate expulsion and possible legal action.

- **Deadly Weapons:** Firearms and knives are not allowed; safety is a priority.
- **Alcohol:** Bringing or consuming alcohol is prohibited due to safety risks.
- **Smoking and Vaping:** Not permitted indoors or in any outdoor common areas.

Enforcement and Penalties

- **Immediate Action:** Any member or guest found in violation of the restricted items policy will be asked to leave the gym premises immediately. Depending on the severity of the violation, further disciplinary actions may be taken, including membership termination or involvement of law enforcement.
- **Zero Tolerance:** NorthSouth Fight Sports maintains a zero-tolerance policy regarding illegal drugs, deadly weapons, and hazardous materials to protect our members and maintain a safe environment.

By adhering to these rules, we ensure that NorthSouth Fight Sports remains a safe, positive, and welcoming space for everyone. Your cooperation in following these guidelines helps us uphold the highest standards of safety and community well-being.

THANK YOU FOR CHOOSING NORTHSOUTH FIGHT SPORTS!

We're excited to welcome you to the NorthSouth Fight Sports community! Your commitment to improving your fitness, martial arts skills, and overall well-being is something we deeply respect, and we are honored to be part of your journey.

At NorthSouth Fight Sports, you're not just a member—you're part of a community that values growth, discipline, and camaraderie. Our team of expert trainers and staff are here to support you every step of the way, and we can't wait to see you push boundaries, achieve your goals, and transform both physically and mentally.

Thank you for choosing NorthSouth Fight Sports as your fitness and martial arts home. We look forward to seeing you in the gym and being part of your success story!

Welcome to NorthSouth Fight Sports—Where Discipline Breeds Greatness.
